

Strategic Review of the Workplace Health and Safety System

Submission template

This template can be used to make a submission to the Independent Taskforce on Workplace Health and Safety. The template does not limit the length of your answers, and you can attach documents to supplement your answers if you wish. Alternatively, you can use the on-line questionnaire to make a submission, which can be found at www.hstaskforce.govt.nz. The on-line questionnaire restricts the length of your answers to about 300 words per question.

Please refer to the taskforce's consultation document, *Safer Workplaces* before completing this template. The consultation document can be found at www.hstaskforce.govt.nz

About you

* Indicates mandatory questions

1. *Your full name:

2. *Is this submission on behalf of an individual or an organisation?

Individual Organisation

Phone number(s)

Email address:

Please tick the boxes below as appropriate

- I consent to my submission being placed on the Independent Taskforce on Workplace Health and Safety website
- I would like my name withheld from publication (submissions from individuals only)

Please note that your name and contact information, including any personal information, is being collected so that the Independent Taskforce on Workplace Health and Safety can publish the names of people and organisations who or that made submissions, follow up with a respondent if any submission needs clarification, and for the general purposes of the Strategic Review of the Workplace Health and Safety System. The Independent Taskforce on Workplace Health and Safety is the intended recipient and holder of the information and can be contacted at PO Box 3705, Wellington, New Zealand. In accordance with Privacy Principle 7, you have the right to access and correct any personal information you provide.

Submission template questions

Please answer the following questions and feel free to attach any supporting documents.

If you are completing the template on paper, please feel free to add other pages but make clear which questions your answers refer to. ***If you are completing the template electronically*** and need more space for any of your answers, please write the rest of your answer into another document, making clear which question your answer refers to, and attach it when you send your completed submission template to us. The answer fields below hold approximately 430 words.

Who gets hurt, killed or suffers from ill-health or disease as a result of work?

1. What do you think is driving the differences in health and safety outcomes for different demographic groups?

2. What changes are needed to the workplace health and safety framework to improve outcomes for demographic groups with higher than average rates of injury and illness?

Regulatory framework

3. What do you think the challenges are with the current health and safety regulatory framework?

A large, empty rectangular box with a thin black border, intended for the respondent to provide their answer to question 3. The box is currently blank.

4. How do you think the health and safety regulatory framework could be improved?

A large, empty rectangular box with a thin black border, intended for the respondent to provide their answer to question 4. The box is currently blank.

Regulators' roles and responsibilities

5. How effective are the regulators in influencing workplace health and safety outcomes?

6. How could the regulators' roles and responsibilities be changed to improve their effectiveness in influencing workplace health and safety outcomes?

New Zealand's changing workforce and work arrangements

7. What impacts are New Zealand's changing workforce and work arrangements having on health and safety outcomes?

8. What changes to the health and safety framework, if any, are needed as a result of the changing workforce and work arrangements?

Worker participation and engagement

9. How effective do you think worker participation is in improving workplace health and safety in New Zealand?

10. What improvements can be made to worker participation in workplace health and safety so as to get better workplace health and safety outcomes?

Leadership and governance

11. To what extent do directors and other senior leaders provide effective leadership and governance of workplace health and safety?

12. What improvements can be made to directors' and other leaders' participation in workplace health and safety, so as to get better workplace health and safety outcomes?

Capacity and capability of the workplace health and safety system

13. To what extent do firms have the capacity and capability to effectively manage workplace health and safety issues (including through accessing external resources)?

14. What options are there for improving firm level capacity and capability to deliver better health and safety outcomes?

Incentives

15. How effective are existing financial and non-financial incentives in improving workplace health and safety outcomes?

A large, empty rectangular box with a thin black border, intended for the respondent to provide an answer to question 15.

16. How could incentives be better used to improve workplace health and safety outcomes?

A large, empty rectangular box with a thin black border, intended for the respondent to provide an answer to question 16.

Influencing health and safety outcomes beyond one's own workplace

17. How successful are government, industry, corporate or other potentially influential bodies in influencing health and safety outcomes beyond their own workplaces (for example through influencing their suppliers, counterparts, and competitors)?

18. What could be done to get government, industry, corporate or other potentially influential bodies to exert greater influence on improving workplace health and safety outcomes beyond their own workplaces?

Major hazards

19. How strong is New Zealand's current approach to regulating major hazards?

20. What improvements to the regulation of major hazards would lead to better health and safety outcomes?

Health and hazardous substances

21. What are the most significant challenges to managing occupational health risks and exposure to hazardous substances?

22. What changes could be made to the existing health and safety framework to reduce the harm caused by occupational disease and ill-health?

Small to medium-sized enterprises

23. What workplace health and safety challenges are specific to the self-employed and small-to-medium enterprises?

A large, empty rectangular box with a thin black border, intended for the user to provide their answer to question 23. The box is light gray and occupies most of the page's width and height.

24. What improvements could be made to the workplace health and safety framework, and its implementation, to ensure that it's effective for self-employed and small-to-medium sized enterprises?

A large, empty rectangular box with a thin black border, intended for the user to provide their answer to question 24. The box is light gray and occupies most of the page's width and height.

Measurement and data

25. To what extent are New Zealand's workplace injury and occupational disease data collection mechanisms conducive to robust monitoring, investigation and comparative analysis?

26. What opportunities are there for improving data collection, integration and reporting?

Our national culture and societal expectations

27. Do you think New Zealand culture influences our workplace health and safety outcomes?

28. What might we do to improve our culture relating to workplace health and safety?

Other factors

29. Are there any other factors (not already covered) that influence workplace health and safety outcomes in New Zealand?

A large, empty rectangular box with a thin black border, intended for the respondent to provide their answer to question 29.

30. Do you have any other suggestions for how to improve workplace health and safety outcomes in New Zealand?

A large, empty rectangular box with a thin black border, intended for the respondent to provide their answer to question 30.

Other comments

31. Are there any other comments that you would like to make?

Please send your completed submission to secretariat@hstaskforce.govt.nz (preferred) or post it to: Submissions, Independent Taskforce on Workplace Health and Safety, PO Box 3705, Wellington 6140. We would appreciate it if you could get your submission to us as early as possible, but at the latest, you must get your submission to us by **5pm, Friday 16 November 2012**. If you are sending your submission to us by mail, you should put it into the post by 5pm, Wednesday 14 November 2012.
